

# HAPPY HOLIDAYS FROM KIDS GONE HUNTING FOUNDATION INC.

From all of us at the Kids Gone Hunting Foundation Inc., we wish you a happy holiday season and a prosperous new year.

We also want to thank all of our sponsor members for your support. We recognize and appreciate that you took a chance on a young non-profit organization. Without your help we would not have been able to get this idea up and running.

As a way of saying thank you to our Premiere Members, we have decided to extend your membership for another year, through December 2012.

We have been working hard throughout the past year to promote our partners and our mission. We have many more exciting projects in the works.

The Host Team has been hunting hard and captured many great moments afield on film for future DVDs.

Our first DVD contest is underway (see flyer) and we hope to introduce many more kids to the positive influences of hunting through distribution of thousands of Kids Gone Hunting DVDs.

Our Facebook page is growing weekly. Fans are posting

pictures of their kids' hunting adventures and sharing great stories.

Representatives of KGHF will be attending the ATA Show, SHOT Show and Eastern Sports Show in Harrisburg.

The Host Team will get together again this summer to host the Friends Edition DVD.

New features will be added to the KGH web site in 2012 and we will be sure to keep you posted on the progress.

We have enjoyed working with all of you and look forward to the opportunity for positive growth in the coming year.

# BUCK HORTON SCORES BIG ON A SPECIAL ARKANSAS ELK HUNT

The first week of December we headed to the Ozark mountains of Arkansas to hunt a bull elk. The Arkansas Game and Fish transplanted elk back into Arkansas a number of years ago. The Arkansas elk herd is up to around 500.

We were met the first morning with 3-4 inches of snow and it snowed on us for three days of the hunt and it was beautiful. We saw over 100 elk in the three days we hunted.

On the third day we got into a herd of bulls and found a great bull. Buck made a great 200 yard shot! All captured on film. The bull was a 7x6 weighing 700 pounds.

Quoting Buck - "This was the most fun I have ever had hunting, but this was the toughest hunt I have been on."
